

MINISTRY THROUGH MEDIA

April 2011

Dear Friend,

For the entire Mars Hill team, I hope this message finds you doing well in His amazing grace!

It is said that early Christians often greeted one another by proclaiming "He is risen!" And when a Christian received this greeting, he or she responded with "He is risen *indeed!*"

Because of God's provision through people like you who share our passion to tell others "He is risen," The HOPE is now being used to proclaim the Gospel worldwide! We've now completed more than 40 adaptations of The HOPE and have over 30 translation projects in process. Here's what "He is risen" looks like to some of our HOPE ministry partners around the world . . .

There are over 7,000 living languages in the world today. Many living in these language groups have yet to hear "He is risen" in their own language. Oh how I long for the day when every tongue is represented in heaven, joined together in concert, with a loud voice saying, "*Worthy is the Lamb that was slain to receive power and riches and wisdom and might and honor and glory and blessing*" (Rev.5:12).

We are now working on some very exciting projects that we believe will significantly increase the output of new translations. These projects are all part of what we are calling our "Raise the Flag" campaign, which was explained in the booklet that we posted on our website at the close of 2010 (<http://www.mars-hill.org/PDF/Updates/TheHOPEForAllPeople.pdf>). Soon, we'll send out a detailed update on our progress with this effort.

Please pray for our work with The HOPE. One of our greatest needs is to build up our staff with a few more key people. Specifically, we are seeking to fill the following positions:

Director of Ministry Partnering – This person is responsible for coordinating our ministry partnerships and overseeing their projects. Justin Seale, who has filled this role wonderfully for 7 years, will soon transition with his family to serve on the mission field in another country.

Director of Production – This person will have a key role in every area of production, from shooting to editing to management of our production facilities.

Assistant to the President – This person will provide key support to the President of Mars Hill.

Each of these positions requires that the candidate build a ministry team of people who are willing to share in his/her ministry at Mars Hill through prayer and financial support. If you know of someone who might be interested in one of these positions, please have them contact us.

This is the time of year that Christians everywhere join together to celebrate our Lord's victory over death. I am so grateful for the resurrection; first and foremost because it is the cornerstone of my confidence regarding eternal life, but also because it is an endless source of strength and encouragement to face the challenges of daily life. Because of the resurrection, we can know with certainty that no challenge or opportunity is too great for God . . . and that He can turn our darkest day into our brightest! May the power of the resurrection be manifested in your life today!

Thank you for your interest in this ministry. He is risen!!!

Sincerely in Christ,

Fred Carpenter
President
