

Find Your Missionary Calling with Mars Hill

Most people think of a missionary as someone who goes to a foreign place (either geographically or culturally) to spread the Gospel. Not true! We are all called to the mission of the Great Commission. We are not all called to be goers, but we are all called to be missionaries. We all have a mission within the mission. If you are not called to be a goer, then you are called to another role in the mission. Perhaps God has created you to be a sender, equipper, intercessor, funder, mobilizer, etc.

For every soldier on the field of battle there are dozens if not hundreds of support personnel in the rear lines and back home. The soldier offering support is no less vital to victory than the soldier serving on the front line. So it is with God's global mission!

Mars Hill is facing a strategic opportunity to equip front line missionaries with a powerful tool, The HOPE, an 80-minute dramatic motion picture presentation of God's redemptive story from creation through Christ. Some have called it a "weapon of mass instruction." The Southern Baptist International Mission Board has asked Mars Hill to provide translations of The HOPE movie for 200 unreached people groups. These UPGs do not have Scripture, a Jesus Film or any other such Bible based tool in their own language. Each of these UPGs has been adopted by an IMB worker. Sending these workers without tools is like sending a soldier to battle without a weapon.

Since its inception, God has led Mars Hill to grow the worldwide ministry of The HOPE by partnering with other ministries and by engaging volunteers who have contributed time and talent to increase our capacity to fulfill the mission. In order to seize the opportunity to help the IMB reach 200 unreached people groups with the Gospel, and thus accelerate the completion of the Great Commission, [Mars Hill needs to increase its army of missionaries now!](#) Perhaps God has prepared a place for you to fulfill your missionary calling within the mission He has given Mars Hill with The HOPE.
